

34th SCIENTIFIC CONFERENCE OF MICROSCOPY SOCIETY MALAYSIA

**MICROSCOPY FOR SUSTAINABLE INNOVATION:
EXPLORING STRUCTURES, ADVANCING SOLUTIONS**

**15 DEC 2026 | ZENITH HOTEL,
PUTRAJAYA, MALAYSIA**

The 34th Scientific Conference of the Microscopy Society of Malaysia, 2026 (34th SCMSM 2026) is the flagship annual conference of the Microscopy Society of Malaysia (MSM), bringing together researchers, academicians, scientists, students, technical professionals, and industry partners. The conference provides a dynamic platform for sharing the latest developments in microscopy, imaging, and analytical sciences across life sciences, materials science, physical sciences, engineering, and emerging technologies.

34th SCMSM 2026 features keynote and industrial talks, oral and poster presentations, microscopy competitions, and industry exhibitions. Through knowledge exchange, networking, and interdisciplinary collaboration, the conference aims to promote innovation, advance scientific discovery, and inspire the next generation of microscopy researchers.
